Double Bray 2

Well done to everyone who had a go at the Double Bray 2 on Monday 23rd. Not an easy task given that we had 21 archers some of whom had never shot at 25 yards before we even had some juniors, the youngest being 8. But under Andrew Gash's excellent supervision it went very smoothly.

So....what's next?

By the time you get these notices you should be having a Merry Christmas, if not...why not?. I would like to thank everyone for their continued support of the Club during the last twelve months, be it through volunteering for committee roles, being Line Captain, helping out on Junior Night, getting funding from various sources, sweeping up, attending club nights, representing the Club at competitions,.... the list is endless...but you get the gist ...

Have a Merry Christmas.....see you Friday 27th

Right...I'm off to nick Santa's sleigh

Stuck for a last minute present this Christmas?

Then why not purchase a genuine "Phil Buckley Exploding Arrow".
Hours of amusement can be had watching as a bemused archer tries to figure out what has happened to a perfectly good arrow that now lies in a thousand splintered bits on the floor.
