#### **Coaching on last Monday of the month.**

Sue and Langdon Davies have very kindly agreed to offer coaching to anyone who requires it, they are both well versed in tips and techniques for all bow types. Anyone wishing to have some coaching on Monday 27 Jan is welcome to come along. It is hoped to continue these coaching sessions, which will run alongside normal club shooting, on the last Monday of each month. Remember...if you want coaching ...ask a coach...they will not approach you without being asked...

#### **Tuesday Formal Shoot 28<sup>th</sup> January**

This month's formal shoot will be a Combined FITA, which is a FITA 18 followed by a FITA 25 A total of 10 dozen arrows to be shot, This is a challenging round and should be attempted only if you are confident of finishing, we will be pushed for time so the hall will be open from around 17.00 with the aim of starting no later than 17.30. Please try to arrive on time

## Heating.

You may have noticed that, on the odd occasion, it's a tad cold in the hall...to this end the club has purchased a small but effective fan heater. It is only intended to use it to take the chill off the temperature whilst shooting...it is not to be used for making toast, hot drinks or drying hair.

## **Presentations for Indoor 2012/13 season and 2013 outdoor season.**

For those of you who can remember that far back, I have a large collection of trophies cluttering up my living room all of which are looking for good homes. Normally I would present these in early December, but due to supply problems I have only just received them. I intend to present them at a normal club night when hopefully most of the recipients will be there. Or I may present them at an evening set aside specially, such as a quiz night as has been done in the past. You decide....ar.boo@hotmail.co.uk

The following have achieved greatness and have good reason to attend.....

Phil Buckley, Graham Anderson, Kim Swetman, Rob Lock, Sandra Russell, Cyra Rawdin-Jones, Nathan Willcox, Matt Gash, Emma Fetherston, Norman Willcox, Laura Swetman, Peter Haines

Name the title and artist of this Archery related 80's song

No rhythm in cymbals

No tempo in drums

Love on arrival

She comes when she comes

Right on the target

But wide of the mark

What I thought was fire

Was only the spark

The sweetest melody

Is an unheard refrain

So lower your sights,

Yeah but raise your aim

Raise your aim
