Glamorgan Senior Indoor Open 02/02/14

Another great turn out by club members at this event..... Well done, especially to the Juniors who shot as seniors, and also Rob, Norman and Mandy who claimed the Team Recurve Trophy for the club...again..

L.C.B.Record Status Portsmouth

This event was well attended by the club, well done to all who took part, but a special mention for- Juniors, Holly Morgan 1st in U12 Barebow, Ben Walch 1st in U12 Barebow, Dan Walch 2nd in U14 Recurve, Adam Walch 1st in U16 Recurve, and Matt Gash 1st in U18 Recurve.

And last but by nooooooo means least **NORMAN WILLCOX..**
who was first in the Senior Gent Recurve category with an amazing score of 580.... Our reporter, Gladys Friday, managed to catch up with him on his 12th lap of honour, and asked him what he attributed his amazing result to? Modest Norm, as he is known locally, replied..." I won here today because I am brilliant and the rest ain't...so there..."... Norman was last seen leaving the venue clutching his ' I love Keith Hawkesford' T-Shirt.....

Indoor League.

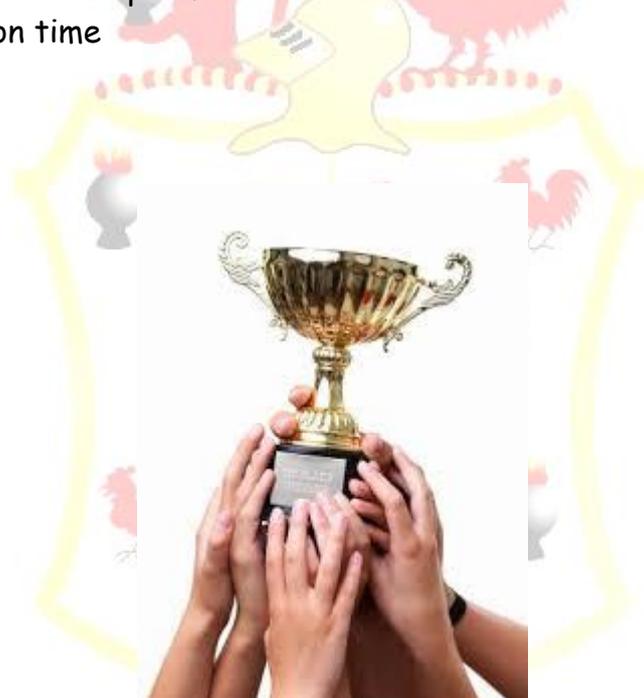

The league is progressing well.....for some. Please...if you are in a team makes sure you submit at least one Bray 1 per month. Thank you.

Committee Meeting Thursday 27th in the Mountain Hare Pub 7.30pm

If you have anything you wish to bring up at this meeting, please feel free to come along, **anyone** from the club may attend.

Tuesday Formal Shoot 25th February

This month's formal shoot will be a Double FITA 18, A total of 10 dozen arrows to be shot, This is a challenging shoot and should be attempted only if you are confident of finishing alive, we will be pushed for time so the hall will be open from around 17.00 with the aim of starting no later than 17.30. Please try to arrive on time

Presentations for Indoor 2012/13 season and 2013 outdoor season.

For those of you who can remember that far back, I have a large collection of trophies cluttering up my living room all of which are looking for good homes. Normally I would present these in early December, but due to supply problems I have only just received them. I intend to present them at a normal club night when hopefully most of the recipients will be there. Or I may present them at an evening set aside specially, such as a quiz night as has been done in the past. You decide....ar.boo@hotmail.co.uk

The following have achieved greatness and have good reason to attend.....

Phil Buckley, Graham Anderson, Kim Swetman, Rob Lock, Sandra Russell, Cyra Rawdin-Jones, Nathan Willcox, Matt Gash, Emma Fetherston, Norman Willcox, Laura Swetman, Peter Haines.

**Make a sentence out of the following...
Hall leaving when ...heating off turn...**

Name the title of this Archery (ish) related song

***** ***** ** ** *****

And I'm still rolling along
Them Cherokees are chasing me
Arrows fly, right on by
But I'm singing a happy song

I'm singing a higgity, haggity, hoggety, high
Pioneers, they never say die
A mile up the road there's a hidden cave
And we can watch those Cherokees
Go galloping by

Answer via email...fourth (yes...fourth) correct answer might win a spectacular prize.....but don't get your hopes up.

Tips of the Week.....

Want to look like Ant from Ant & Dec? Simply look at yourself in the back of a spoon...

If you're into ORIGAMI, Why not save money on expensive brown paper by simply folding Spar beefburgers instead, also, why not grill one and fill your house with the pleasing aroma of tramps socks...

Until next time....
