Norman Takes the High Road.

Just one club member attended the 1st and 2nd stages of the National Series which were held in Penicuik, Scotland. Norman Willcox shot a WA70 and finished 20th, then shot a WA1440 and finished 15th...very impressive...well done Norman....

Some Pictures of Norman on his journey North....

Well done to Matt Gash who came first in his category, Andrew Walch got 2 personal best scores. Norman, Rob and John also shot....and did well.

Only one archer represented Wales in this event...and I'm very happy that it was one of our club members.. Kim Swetman, who managed a very respectable 9th place in a WA 1440.

U.K. Masters

As a Master Bowman, Kim Swetman was able to shoot at this exclusive event finishing 15th in the U.K. Excellent!

If I have missed anyone or an event I'm very sorry but I was caught up in a Lego avalanche and had to dig my way out.

Greetings from The Committee

Split Shooting Line

The Committee has decided that there will NOT be any splitting of the shooting line whilst outdoors, we all shoot as one club..or join another....

Whoever is line Captain (And there MUST be one) is to ensure that you have up to 4 mins from the whistle blast to shoot your arrows..not from when you step up to the line. More targets can easily be put out if needed.

Save Andrew Gash's Legs.

We are desperately in need of volunteers to help out on Sunday 20th for the Glamorgan Open which we will be hosting, we need help to set up in the morning (6am start), help with score collecting (Fully charged Ipad and a good pair of legs needed) Help with field party- moving targets at distance change and other fun stuff, any help will be gratefully accepted, if you can commit to all day that would be simply divine. At the moment we do not have enough confirmed helpers to make this competition viable and it would be a shame if it was to suffer because of a lack of help.

Your Club Needs YOU!

Congratulations to Peter Haines and Emma Featherston (hope I've spelt it right) on the news that they are expecting a baby in the New Year.
See below for a taste of things to come.....

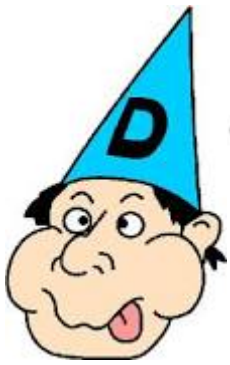

You've been warned!

Pets Corner...

Took my cat to see the Vet yesterday, they said she was in heat...."Really?" I replied.."I didn't even know she was famous!"

Quiz Corner....email your answers.....no prizes....but then again.....

- 1 In Star Trek, what is Spock's father's name?**
- 2 In computer speak, what does SDRAM mean?**
- 3 What animal hates bright lights, and should never be given water?**
- 4 Betelgeuse, Bellatrix and Rigel are the main stars in which winter constellation?**

And this one has been sent in by Andrew Gash aged 14³

"What comes in thin pink slices, takes a few minutes to cook, can be eaten in a sandwich or a bun, is great with mustard, ketchup or brown sauce, smells and tastes delicious and the working party won't be having any free on July 20th?"

It's a shame to end on a sad note but, my wife has decided to divorce me because of my obsession with television dramas.

Do you think she'll really leave?

Find out at the same time...Next Week...
