### Blandy Travels

Norman Willcox and John Whitney both travelled to Cheltenham early in the month and shot a York round, Norman coming away with a bronze. They both returned to Cheltenham later in the month along with Matt Gash, Emma Fetherston and Peter Haines for a WA 1440, Matt got a Gold and Emma a Bronze..well done. Kim and Laura Swetman went to Andover as part of the National Series and shot a Double WA 1440, Kim finished 6<sup>th</sup> and Laura 21<sup>st</sup>. John Whitney, Andrew Walch, Judith Stolzenburg shot a Double American at Llandaff City Bowmen's competition, whilst Ben and Adam Walch shot a Double St Nicholas. John got Silver, Ben and Adam both got Gold.

Jakob Barrett-Rees, Finn Barrett-Rees and Ben Walch have all shot to Junior Master Bowmen standard this month, and Grace Barrett-Rees has shot Bowman, Emma Fetherston is close to getting Bowman standard on the Longbow an excellent achievement, although they have a little way to go before they can claim badges...I'm sure it won't be long..

A good month yet again for the club. Sorry if anything/anyone has been missed..but penguins ate my shoes.

The UKIFAC was held at Pentref Bowmen's course at Ton Pentre early in July and we had a few medals for the Blandy members:

Steffan Rawdin-Jones, Cub Male Unlimited, 1<sup>st</sup> place

Mat Symmonds, Gents Recurve, 2<sup>nd</sup> place

*Cyra Rawdin-Jones, Junior Female Longbow, 1<sup>st</sup> place + An appointment with Toyah Willcox's hairdresser.(ask your Dad who she is)*

Owen Rawdin-Jones, Cub Male Longbow, 1<sup>st</sup> place

Graham Anderson, Adult Male Historical Bow, 2<sup>nd</sup> place

Sandra Russell, Adult Female Historical Bow, 1<sup>st</sup> place

4 British Champions in one club - not bad at all! Just to top it off,

## **Matt Symmonds**

Congratulations to Matt Symmonds from Blandy, for winning the IFAA World Championships in the USA, that is an amazing achievement...well done.. Matt was also in the Welsh Team for the Home Nations Team Championships which Wales won by a record margin - defeating 2<sup>nd</sup> placed England by more than 200 points!

### **Glamorgan/Blandy Open**

I've already sent out the results from this event, but just to let everyone know, the Judges were very happy with the set up and running of the event and their Tournament report contained no negative remarks...as is usual for our competitions so well done and thanks to all concerned with the set up and running of the event before during and after..also, we had several emails from competitors praising us for organising a great event.....can't be bad.

Fortunately, we haven't heard from Injury Lawyers 4U in respect of the attempted 'murder by leader board' ..although, the makers of Cluedo are interested in using the scenario of 'Records Officer in the scoring tent with the Leader Board'  
Wasn't me guv..honest..

### **Results Sheets from External Competitions**

Just a reminder that it is the ARCHER'S responsibility to supply the Records Officer with a results sheet for any competitions they attend, and definitely NOT any of the following:- Links to results on websites, scraps of paper with coffee and doughnut stains (Yes....it has been known) Or the classic "I think I shot at a competition...can you check for me?". Not my job love.....Copies of results sheet or an email of said sheets is the preferred method....Thank you for your cooperation.

### **Greetings from Your Committee**

#### **Etiquette**

Whilst everyone likes a bit of friendly banter both on and behind the shooting line, I would like to remind everyone that there are swings, a slide and a roundabout in the play area behind.. and I'm sure there is something there for children too... In other words please strike a balance between acceptable noise and unacceptable noise..

## Coaching Coordinator

We would like to inform everyone that Dave Roberts has accepted the role of Coaching Coordinator, and is now responsible for organising coaching within the club, beginner's courses, improver sessions and lots and lots and lots of other stuff that he doesn't know about....yet.

We asked Dave for a picture so you all can recognise him at Club

## Tribute to Andrew Gash

Club Treasurer, Coach, Coaching Coordinator (Until we got someone else), Membership Secretary, Field Party coordinator, bacon roll coordinator, Middle East Peace Envoy (Failed), Raconteur, Ventriloquist (or is that dummy?) Fighter pilot, litter picker..

Andrew has also offered to 'Educate' the club in how to talk proper..like ..innit

Please see below for a list of words and how they are to be pronounced from now on (Line Captain to enforce)

Who said "Isn't there anything I can't do?"  
Within no time at all, he was doing it all  
Until finally he said "I'm through!"

Have a nice, well deserved holiday.

### Personal Problems? Then write to Dire Deidre.

I had a heart breaking letter this week from a young archer, who recently had to finish with an older woman. Here's my reply-

Dear Aljanon (Name changed to protect the young fool) Breaking up is hard to do, so get a grip, there's plenty more fish in the sea.....and next time try and pick someone with slightly less obnoxious relatives and friends..

Quiz Corner....email your answers.....

Below is a list of made up movie Prequels.....all you have to do is give the name of the movie that follows.

### Money Saving Tips

1. Save on expensive personalised car number plates by simply changing you name to match your existing plate.  
Sent in by Mr ST 55 XCV
2. Don't but those expensive binoculars..... just move closer to the object you wish to view.
3. Bought an App for my Samsung phone, it tells you where the nearest public toilet is...Download Ineedapeedia..you won't regret it..
